

7th Grade Web Design Evaluation
The Solar System

Name of the person being evaluated: _____		Name of person evaluating website: _____			
Description:	Maximum Points Possible			Actual Points Earned	Notes
	Excellent	Fair	Poor		
Include PowerPoint Presentation (the Kingdoms of Life phylum) as a web page and have a link to it (suggested location: Your bio page and your accomplishments). The PowerPoint Presentation web page MUST open in a new browser window	15	10	5		
Create Website for assigned project (not one we created together) and add pages as necessary	25	15	5		
Home page has the proper filename	20	12	5		
At least 7 pages:	10	7	5		
1. Home Page					
2. Bio Page (Avoid volunteering any information that may identify you, but include picture). The bio page can include information such as schools you have attended hobbies, likes and dislikes, picture of you, etc. without giving any information that can identify you such as last name, address, phone number and so on	10	7	5		
3. Pictures Page (in addition to pictures in other pages)	10	7	5		
4. Credits Page with properly formatted (MLA format) credits to your sources at least five citations	25	15	5		
5. At least 3 content pages (in addition to the above pages—at least three paragraphs long, five sentences per paragraph at least) (this grade is just for the existence of the page—5 points per page just for having it)	15	10	5		
All pages have proper filenames (No spaces and no capitals—underscores are quite acceptable)	25	15	5		
All pages have proper titles (Reflect the content of the page)	15	10	5		
Proper Navigation structure will include: Links or buttons that link from each page to all pages on your web site	20	12	5		
All pages load in 30 seconds or less at 128 kbits/sec	10	7	5		
Evidence of and manipulation of CSS	20	12	5		
There are no distorted pictures	10	7	5		
Evidence of text formatting exists (bold, underline, text color, alignment)	10	7	5		
Unordered and/or ordered lists used (bullets, numbers)	20	12	5		
Tables and table manipulation	20	12	5		
Page 1 Totals:		280	177	85	Enter the Total for this Page

At least five relevant external hyperlinks. All external hyperlinks and documents such as PDF always open in a new window	20	12	5		
Unified theme or background throughout the web	20	12	5		
Easy to read fonts and other colors have good contrast (everything must be easy to read)	20	12	5		
Evidence of picture manipulation (please be careful that you do not distort pictures and there is a way to recognize the changes)	10	7	5		
An e-mail hyperlink (at least one)	15	10	5		
No broken hyperlinks are found	20	12	5		
Uses Named Anchors and Targeted Links	5	3	1		
Text wrap around a picture (your choice—at least one per page) and spacing (padding) from the picture	5	3	1		
No page is longer than two screens and it does not have horizontal scroll bars	20	12	5		
Absolutely no slang; make sure you use proper English, spelling, grammar, and capitalization	20	12	5		
No content pages are shorter than 3 paragraphs with at least 5 sentences per paragraph (15 points per page max, 5 points per paragraph max—your paragraph must be at least five sentences long to get the points)	20	12	5		
Proper credit in MLA format given to all sources (easybib.com)	25	15	5		
A Slideshow is included (preferred location: Pictures Page)	25	15	5		
The website is properly published or copied to a shared location	15	10	5		
Page 2 Totals:	240	147	62		<u>Enter the Total for Page Two</u>
Grand Total Possible ***:	520	324	147		<u>Transfer the Total from Page One</u>
	Total Earned:				Total Score Earned by the student being evaluated

***Grading is based on 500 points.

250 pts. = 50 or F	300 pts. = 60 or D
350 pts. = 70 or C	400 pts. = 80 or B
450 pts. = 90 or A	500 pts.= 100 or A

***The total reflects 20 extra points available but you only need 500 points to get a grade of 100. If you get a higher than 500 total it will be converted to a proportionate extra grade.

All media (sounds, videos, and/or pictures) must be organized in the images or assets folders. 20 points off if the site is not organized! 20 points off if there are horizontal scroll bars in any page (20 pts. each page). No identifying information can be included in the website. 50 points off if any personally identifying information is found anywhere.
